WHY WE SHARE FOOD

1. It is estimated that 36% of Brixton’s waste is food.

2. There are 1.5 Million adults and 400,000 children who have trouble putting food on the table according to the Greater London Authority.

3. London has been ranked as one of the loneliest cities in the world. With 55% of Londoners reporting that they sometimes felt lonely in the a time out city index survey.

BENEFITS FROM SHARING: OUR SHARESTARS

Food sharing can create multiple positive benefits from fostering social cohesion to reducing food waste. A summary of the areas where we benefits are shown in the graphic below based on the number of stars in each category.
**SHARING IMPACT STORIES**

**Story 1**
People returned to our weekly community canteens at a rate of 87% showing that people value the sharing experience we provide for them.

**Story 2**
We organised around 100 day work placements for students studying related subjects. One student is completing 120 hours of a health and social care placement with the Canteens project working at the Graveney Canteen. In addition, two Special Educational Needs volunteers joined as sessional staff for our canteen projects. They had previously volunteered with us and were then offered roles.

**Story 3**
We contributed to the drafting and passing of a motion for Wandsworth Council to take action to reduce food poverty.
